# Detailed Compliance Results

## Non-Compliant Items (3)

### 1. Food Additive Retail Labelling

**Risk:** HIGH

**Observation:** The label lists several food additives but does not include the specific name of the additive and the declaration 'FOR USE IN FOOD'.

**Assessment:** The label lists food additives but does not include the specific name of the additive and the declaration 'FOR USE IN FOOD' as required by the FSS (Labelling and Display) Regulations, 2020.

**Suggested Action:** Add the specific name of the additive and the declaration 'FOR USE IN FOOD' to the label.

**Consequence:** Section 52, FSS Act 2006: Penalty up to ₹3 lakhs for manufacturing/storing/selling/distributing/importing misbranded food. Adjudicating Officer may also direct corrective action or destruction of the article.

### 2. MSG Warning

**Risk:** MEDIUM

**Observation:** The label does not contain any declaration or warning related to added MSG.

**Assessment:** The label is missing the required declaration and warning for added MSG as specified by FSSAI regulations.

**Suggested Action:** Add the required declaration and warning for added MSG to the label.

**Consequence:** Section 52, FSS Act 2006: Penalty up to ₹3 lakhs for manufacturing/storing/selling/distributing/importing misbranded food. Adjudicating Officer may also direct corrective action or destruction of the article.

### 3. Caffeine Content Warning

**Risk:** MEDIUM

**Observation:** The label does not contain any declaration of 'CONTAINS CAFFEINE' or the quantity of added caffeine in ppm.

**Assessment:** The label does not include the required declaration of caffeine content as mandated by the FSSAI regulation for products containing added caffeine.

**Suggested Action:** Add a declaration 'CONTAINS CAFFEINE' in a rectangular box and specify the quantity of added caffeine in ppm in the list of ingredients.

**Consequence:** Section 52, FSS Act 2006: Penalty up to ₹3 lakhs for manufacturing/storing/selling/distributing/importing misbranded food. Adjudicating Officer may also direct corrective action or destruction of the article.

## Pending Review Items (2)

### 1. QUID Declaration

**Observation:** The label does not provide the percentage by weight or volume of any emphasized or characterizing ingredients.

**Assessment:** This rule applies to pre-packaged foods sold as mixtures with emphasized or characterizing ingredients. However, the label does not provide the percentage by weight or volume of any emphasized or characterizing ingredients, and thus does not meet the compliance condition.

### 2. PDP Size Requirements

**Observation:** The label does not provide information on the principal display panel (PDP) area or font size.

**Assessment:** The label does not provide sufficient information to determine compliance with the PDP size requirements. The rule applies to all pre-packaged food products, but the specific dimensions and font sizes are not provided in the label text.

## **Compliant Items (17)**

### **1. Food Name on Front**

The label displays 'FOOD CATEGORY 7.2.1 FLAVOURED SANDWICH BISCUITS' on the front.

### **2. Nutrient Calculation**

The label provides energy and protein values per 100g of the product.
